It gives us great pleasure to formally inform you that following receipt of a nomination for you to receive the Crystal Drop Award of IWRA, and upon careful consideration by the Awards Committee, your nomination has happily been approved.

These contributions may be through: Ground-breaking research on water issues; Practice in water management or governance; Knowledge transfer or dissemination; and/or outstanding contributions not covered by the above.

The award will be presented during the Awards Ceremony, which will take place at the **XVIII World Water Congress** on September 11th – 15th, this year, in Beijing, Republic of China. You are thus officially invited to attend the XVIII World Water Congress. Your travel, accommodation, and registration costs will be covered. We sincerely hope that you will accept this award and be willing to attend the Congress in person. Details on the exact date and time of the Awards Ceremony, and all relevant details, will be communicated as the programme is finalised by the International Scientific Committee for the Congress.
